

## Registration Form

A unique Swiss-Indian e-governance forum is being organised by Swiss Embassy in collaboration with Indian Institute of Public Administration (IIPA) New Delhi. This is first-of-its-kind exchange on digital initiatives and e-strategies taken in both countries. The event shall have special reference to best practices and lessons learnt by these two countries on various related aspects of digitalization/e-governance including National strategies, Digital Citizen Engagement platforms, Open data, Disruptive technologies, Right to Privacy and Security and much more. You may expect intense brainstorming and expert deliberations by subject stalwarts, practitioners, and research scholars of the subject domain!

The Registration for the event is strictly on the invite basis and is free!
