Project - Blended Capacity Building Programme for Stakeholders of River Ganga under Namami Gange

Indian Institute of Public Administration (IIPA), a Research and Training Institute under DoPT, Govt. of India is currently implementing the project - Blended Capacity Building Programme for stakeholders of River Ganga under Namami Gange entrusted by National Mission for Clean Ganga, Government of India. IIPA calls for the services from a firm/company/agency for content development.

The details of the same are as follows:

The five-hour course should consist of 10 modules of 30 minutes each, covering the social, environmental, scientific, cultural and other such aspects of the river Ganga.

Detailed Scope of work:

- A detailed research to understand the course is vital to curate course modules to build knowledge and facilitate learning
- To develop a storyline depending upon the number of modules
- To collect and collate existing videos, clippings, photos with regard to history and the progression of river Ganga.
- To design illustrative and 2D graphic animations to ensure an interactive learning experience
- To assess individualised participant progress after each module in order to provide a certificate on completion of the course
- **Technology compatibility:** Determine on the technology platform where the content will be housed so that the module is created taking the interactive capability into consideration

Experience/Qualifications:

Interested companies/ firms / Agencies must have an experience of at least three years in preparing modules for universities/ Institutions.

An existing referral portal showcasing the above would be preferred. The organizations participating in the bidding are required to enclose copies of the work order (s) also from similar institutions like IIPA or other academic Institutions/Universities.

The Annual Turnover of the firm should be not less than Rs.20.00 Crore in the last 03 financial years i.e. 2019-20, 2018-19 and 2017-18.
Timeline:

The first hour module of 30 minutes each should be prepared between 4-6 weeks from the date of award of work order. The complete course developed after the approval of IIPA comprising of 10 modules of 30 minutes each should be submitted by 31st January, 2021 positively.

Mode of Payment:

20% of the contracted amount to be paid after satisfactory completion and submission of first hour module of 30 minutes each

30% payable on satisfactory completion and submission of four hours module of 30 minutes each

Balance 50% payable after 02 weeks of satisfactory completion and submission of the total work after certification of Project Investigators

However, the payment terms are negotiable.

Bid submission:

The detailed proposal and quotation with all relevant enclosures in sealed envelope from interested firms/companies/agencies must reach, latest by 03.00 PM by 5th October, 2020, to the following address:

The Registrar
Indian Institute of Public Administration
I.P. Estate, Ring Road
New Delhi - 110002

The envelope should be clearly superscripted ‘Bid for Content Development for Project - Blended Capacity Building Programme for stakeholders of River Ganga under Namami Gange’.
