

Request for Proposals for Data-Collection Service Provider/ Research Survey Agencies

Indian Institute. Of Public Administration Indraprastha
Estate, Ring Road,
New Delhi- 110002
Date: 19.09.2023

Subject: Request for Proposal for appointment of Data Collection Service.

Introduction:

Indian Institute of Public Administration is seeking proposals from qualified and experienced companies/ firms to provide data collection through survey services as per the scope of work detailed in this RFP. We invite interested programme survey Agencies to submit their proposals for consideration. The proposals will be evaluated based on the selection criteria mentioned in this RFP.

Project Overview:

There are two studies: Objectives of the study are mentioned below:

Study 1- Challenges and Prospects of Sustainable Development for SCs and PVTGs with Social Justice.

- To conduct a historical analysis (of W. V. Grigson's work) of the socio-economic, political, and ecological conditions of the Abujmaria tribe in Chhattisgarh.
- To explore the perceptions and practices of the Abujmaria tribe regarding sustainable development in relation to their livelihoods, governance, education, health, culture, and identity.
- To identify and evaluate the opportunities and threats for the Abujmaria tribe to participate in and benefit from the national and global development initiatives and policies that affect their region.

Study 2: Rehabilitation and Re-Integration of Surrendered Naxalites/ Left Wing Extremists: Policies, Challenges and Prospects

- To assess the effectiveness of the surrender cum rehabilitation program for the Surrendered LWEs

- To undertake a comparative analysis of the state's policies with respect to the rehabilitation programs
- To do a comparative analysis of the India's rehabilitation policy for the surrendered LWEs with the other countries policies/ programs addressing the rehabilitation of the extremists
- To generate a profiling of the post surrender economic opportunities undertaken by the beneficiaries in correlation to the official vocational training programs and areas of improvement
- To suggest framework for development of assessment sheet for the rehabilitation centers to gauge the progress of the beneficiaries.
- To gauge the resource requirement for rehabilitation centers including training and the needs of the district administration/ police administration for improving their campaign strategies
- To Identify the Challenges and effective solutions for the Surrender cum Rehabilitation Programs of the LWEs
- To suggest for measures and policy recommendation to improve the existing policy in line with the successful rehabilitation models of other countries and identified practices in rehabilitation centers for replication.

Scope of Work:

1. Data to be collected through questionnaire(s) prepared by IIPA from the states of Chhattisgarh and its border sharing areas in Gadchiroli.
2. Supporting public documents (if any) will also be collected.

The data is to be collected within time frame of four weeks from 1500 respondents for the study 1 and from 500 respondents for the study 2.

Villages for sample collection (study 1)

1. Orchha
2. Kundla
