National Consultation on Tribal Centric Sustainable Livelihood generation and innovative practices (2020)

Call for Paper

About the Centre

The Indian Institute of Public Administration (IIPA) has been entrusted with the task to strengthen training and active research in various aspects of tribal welfare, by Ministry of Tribal Affairs (MoTA), Government of India. For this purpose, a Centre of Excellence has been established at IIPA by MoTA, for Tribal Affairs. Since its inception, it has been the consistent endeavour of the (CoE) to work on ‘Tribal Research and Exploration’ focusing on the issues concerning exclusion, inclusion, marginalization, etc. of the tribal communities.

About the National Consultation: -

The aim of this consultation will be to analyse innovations and entrepreneurship – including actions taken by the government to empower tribals, which can increase the ease of doing business, eliminate regulations and support start-ups. The Consultation also aims to enhance mechanism for skill development and market-relevant information for the workforce, to analyses how to expand these activities and increase their coverage.

The deliberations will also generate a Report on tribal-centric sustainable and inclusive development models that have worked or the efforts that have been successful. Overall the National consultation on Tribal Livelihood will help to provide significant clarity on issues through deliberations provided by the resource persons
